## MARCH WEEK 3

Hello Kids Church Families,

We have had a cold 2023! Sunny SoCal has given way to rain and palm trees have been overshadowed by snowcap mountains. ***This week's lesson focuses on MOUNTAINS as a picture of God's glory and strength helping us.*** Mountains are everywhere in the Bible. It is the place Moses received the ten Commandments, where Abraham passed the faith test with Isaac, where Elijah defeated the prophets of Baal, where Jesus preached his first message (sermon on the mount), and where our Savior died on a hill called Calvary!

### MEMORY VERSE-

Psalm 121:1-2- "***I lift up my eyes to the mountains— where does my help come from? My help comes from the Lord, the Maker of heaven and earth.***"

### DISCUSSION TIME-

- 1) *How do we know God is there when we cannot see Him?*
- 2) *What are some words that describe a mountain? How can we learn about God from mountains?*
- 3) *What is something you want to talk to God about today?*

### ACTIVITY TIME-

1. **Magic Mountain-** Here are two activities in one! First, with an adult go on the internet to find three facts about a present day mountain AND a mountain from the Bible. Talk about the most amazing thing you learned. Then, break open some playdoh and make your best mountain. Include trees, rocks, waterfalls, animals...be creative and have fun!

### WORSHIP TIME-
